

Table of Contents

Executive Summary	ES-1
Section I: Preface	I-1
Introduction	I-1
Technology Management and Usage Trends.....	I-1
Shifting Roles and Responsibilities of the Technologist	I-3
Customer Demands for Information Technology Services	I-4
Section II: Introduction	II-1
Background.....	II-1
Project Scope	II-1
Study Approach and Methodology.....	II-2
Approach	II-2
Methodology	II-3
Study Development Team	II-5
Report Structure	II-5
Format	II-5
Section III: Current Environment	III-1
Background and Understanding	III-1
Service Delivery.....	III-2
Current Management and Use of Technology Environment.....	III-3
City at a Crossroad.....	III-4
Section IV: Focus Groups, Survey and Data Request.....	IV-1
Background.....	IV-1
Focus Groups	IV-1
Introduction	IV-1
Focus Group Composition and Participation.....	IV-2
Focus Group Process.....	IV-2
Results from “Where we are at today” – Validation Exercise.....	IV-6
Recurring Subject Areas from Focus Groups	IV-10
Survey.....	IV-11
Introduction	IV-11
Survey Response	IV-11
Data Request.....	IV-20
Introduction	IV-20
Operations Highlights	IV-21
Financial and Staffing Highlights	IV-21
TSD Insourcing Highlights	IV-22
Highlights of Current In-progress or Anticipated City-wide Technology Projects.....	IV-23

Section V: Assessment and Findings	V-1
Introduction	V-1
Governance	V-2
Introduction	V-2
Topic: Enterprise-wide View.....	V-3
Topic: Governance Process.....	V-5
Topic: Technology as an Enterprise-wide Strategic Asset.....	V-7
Topic: Investment in Technology	V-9
Topic: Advisory Committees.....	V-10
Service Delivery	V-13
Introduction	V-13
Topic: Organization Structure	V-14
Topic: Information Technology Leadership	V-16
Topic: Outsourcing	V-18
Management Practices	V-21
Introduction	V-21
Topic: Information Systems Master Plan	V-22
Topic: Communications.....	V-23
Topic: User Support and Help Desk Services.....	V-26
Topic: Fiscal Focus	V-28
Topic: Training.....	V-32
Topic: Aging Technology.....	V-34
Topic: Acquisition Process	V-35
Topic: Project Management	V-37
Topic: Resource Skill Mix	V-39
Topic: Chargeback System	V-41
Section VI: Recommendations and Implementation Plan.....	VI-1
Introduction	VI-1
Challenges to Change	VI-1
Governance Recommendations	VI-3
Introduction	VI-3
Governance Process	VI-4
Service Delivery Recommendations.....	VI-12
Introduction	VI-12
Service Delivery Alternatives.....	VI-12
Information Technology Organizational Structure.....	VI-16
Outsourcing	VI-27
Management Practices Recommendations	VI-29
Introduction	VI-29
Information Systems Master Plan	VI-29
Communications.....	VI-30
User Support and Help Desk Services.....	VI-30
Fiscal Focus	VI-31
Training.....	VI-32
Aging Technology.....	VI-35
Technology Acquisition Process	VI-35
Project Management	VI-37

Resource Skill Mix	VI-38
Chargeback System	VI-40
Implementation Plan	VI-41

Implementation Plan (within Section VI, after page VI-41)

Introduction.....	IP-1
Recommendations by Priority Category.....	IP-2
Implementation Plan – <i>Priority 1</i> Recommendations	IP-3
Implementation Plan – <i>Priority 2</i> Recommendations	IP-7
Implementation Plan – <i>Priority 3</i> Recommendations	IP-10

Appendices

Documents Reviewed.....	Appendix A-1
Interviewees.....	Appendix B-1
Information Technology Optimization Study Development Team.....	Appendix C-1
Focus Groups	Appendix D-1
Participants.....	Appendix D-1
Detailed Results from “Where we are” – Validation Exercise	Appendix D-3
Data Request.....	Appendix E-1
Instruction Memo	Appendix E-1
Template.....	Appendix E-4

ACRONYMS

ACRONYM	MEANING
BB&R	Bartig, Basler & Ray
CAPM	Certified Associates in Project Management
CBT	Computer-based Training
CompTIA	Computing Technology Industry Association
CTAC	Citizen Technology Advisory Committee
CTO	Chief Technology Officer
ERP	Enterprise Resource Planning
GIS	Geographical Information System
IIS	Integrated Information System
ISMP	Information Systems Master Plan
ISPC	Information Systems Policy Committee
ITAC	Information Technology Advisory Committee
ITD	Information Technology Department
ITMP	Information Technology Master Plan
MOU	Memorandum of Understanding
PDA	Personal Digital Assistant
PMI	Project Management Institute
ROI	Return on Investment
SDT	Study Development Team
the City	City of Long Beach
TRG	Technology Review Group
